Summer Term 2 Bulletin

July 2026

End of Summer Term 2 Update

As we come to the end of another successful school year, I would like to take this opportunity to thank all of our families for their continued support, encouragement, and partnership. It has been a year filled with achievement, growth, and memorable experiences for our pupils, and we are incredibly proud of all that they have accomplished..

We wish all of our pupils and families an enjoyable summer break and hope you find opportunities to make some special memories together over the holidays.

Exciting News!

Congratulations to Ffion from Arctic Class, who has qualified for the Special Olympics as part of her gymnastics team, alongside eight of her teammates. This is a fantastic achievement, and we are incredibly proud of Ffion and her team.

Ffion's parents have asked us to share the team's JustGiving page. Any donations to support the team on their Special Olympics journey would be greatly appreciated.

School Prom

Despite the exceptionally warm weather, our school prom for leavers was a great success. The evening was filled with celebration, laughter and special memories as students marked the end of their journey at our school. We are incredibly proud of all they have achieved and wish them every success for the future.

BBS Hub/Salvation Army Update

Work on our BBS Hub is progressing well, and there has been lots happening behind the scenes over recent weeks. We are pleased to report that everything remains on track, with significant progress being made. If all continues as planned, we are hopeful that when we return in September, the building will have a roof in place and the project will be entering an exciting new phase. We look forward to sharing more updates and photos with you as the development continues.

Great News - Gold School Games Mark

We are delighted to share that Billing Brook has been awarded the Gold School Games Mark once again.

The School Games team praised our commitment to physical activity, recognising the wide range of opportunities available to our students, our increased club offer and the way we use pupil voice to shape activities across the school.

This award is a reflection of the hard work of our students and staff, and we are incredibly proud of this achievement.

Well done, Team Billing Brook! 🏅

Key Dates for Autumn Term 1

more dates to follow in the new academic year
